Target version:	
Description Original Author: rgr TTDPatch Version: Original game Various poblacion names in the tropical climate, or if you select Latinoamerican names, are wrong: Zaragoza must be Zaragoza (with z). Valencie must be Valencia (finished in a). Also the stations name constrution procedement is wrong in spanish i.e.: "Corocoro Valle de" in spanish must be "Valle de Corocoro" the name of the poblacion after.	

History
