

TTDPatch - Bug #21

track under highbridges

08/03/2006 06:20 PM - Anonymous

Status:	Resolved	Start date:	08/03/2006
Priority:	Normal	Due date:	
Assignee:	Steven Hoefel	% Done:	0%
Category:	Minor	Estimated time:	0.00 hour
Target version:			
Description			
Original Author: Paul Schweizer (The Irish) TTDPatch Version: 2.5 beta1 Patch Feature: trams			
Tracks under highbridges and on slopes do display wrongly. they are displayed like 1 level too low. see attached screenshots.			

History

#1 - 19/03/2006 05:18 PM - Oskar Eisemuth

Title: trams switch error

Disabling trams solves this problem,
some code of trams are not working correctly with higherbridges.

#2 - 03/04/2006 03:35 PM - Josef Drexler

should be fixed in beta 2
