TTDPatch - Bug #71

String #02E Not found

17/07/2006 03:52 AM - Dale McCoy

Status:	Resolved		**Start date:**	17/07/2006
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Crash		**Estimated time:**	0.00 hour
Target version:				

Description

TTDPatch Version: nightly r632

When starting the r632 nightly with the attached cfg, it reports "Failed to find string #002E at 00636F54, found 04/03 at 00575BA4 for findvariableaddress in patchnewcargoes". This is using an unmodified American.exe.
