| when using the arrow keys for scrolling. This has been fixed in beta8 except for the up-key which still changes to tunnel tool. I did add a comment about that but the whole entry seems to have been accidentally removed, possibly because I couldn't set it to "open" state again. |               |                        |            |
